Meeting minutes

Document Author(s): Georgina Perera, Tomasz Mackow

Group Meeting		
30.09.2016	13.00pm	Library study hub
Meeting called by	Group	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Discussing our approach to the project, creating a plan of how we will work together as group to develop our project.	

Group Meeting		
05.10.2016	11.00am	Library study hub
Meeting called by	Group	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Figuring out a focus for what we will create. Brainstorming ideas and discussing individual roles. After brainstorming we narrowed ideas down to 1 final idea which we will now take through and plan in future meetings.	

Supervisor Meetings		
10.10.2016	12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Trying to figure out what is expected of us as a group. Discussing the best practices to follow when developing our ideas. Presenting the idea we have and getting feedback of how to adapt this concept to the description given of our chosen topic.	

Group Meeting		
11.10.2016	12.00pm	Library study hub
Meeting called by	Group	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Discussing what our individual research came back with. Looking at possible textbooks that can be used, websites and looking at youtube videos of examples to follow.	

Group Meeting		
12.10.2016	13.00pm	Library study hub
Meeting called by	Group	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Again after more research we discussed the possible features we could include, the ways in which we could build our project and the correct processes to follow.	

Supervisor Meetings		
17.10.2016	12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Presenting our research and checking that we are on the right track. Guidance on how to develop our idea further, into something more achievable/interesting.	

Group Meeting		
19.10.2016	13.00pm	Library study hub
Meeting called by	Group	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Discussion of specification document	

Group Meeting		
20.10.2016	14.00pm	Library study hub
Meeting called by	Group	
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland	
Discussions	Writing up a first draft for the specification document	

Meeting minutes

Supervisor Meetings			
24.10.2016		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	More documentation needs to be created in order to show project progression. Should now make the use case and class diagram.		

Group Meeting			
27.10.2016		14.00pm	Library study hub
Meeting called by	Group		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Creating the use case and class diagram, delegating tasks		

Supervisor Meetings			
31.10.2016		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Presenting use case and class diagrams as well as system requirements to get feedback		

Group Meeting			
31.10.2016		13.00pm	Library study hub
Meeting called by	Group		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Discussion about delegating tasks amongst the team		

Supervisor Meetings			
17.10.2016		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Given the go ahead to begin working with Unity and how to approach getting familiar with the Unity system		

Group Meeting			
04.11.2016		11.00am	Library study hub
Meeting called by	Group		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Setting up the Unity repo on everyone's PCs and looking through the Unity API. Setting up github/sourcetree.		

Group Meeting			
07.11.2016		11.00am	Library study hub
Meeting called by	Group		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Working through Unity tutorials to familiarise ourselves with the software. Making sure everyone is up to date on progress and Unity project is installed and working ok.		

Supervisor Meetings			
07.11.2016		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Discussing plans for what we are going to try to implement for our physics engine		

Group Meeting			
08.11.2016		11.00am	Library study hub

Meeting minutes

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Discussing our approach for initial implementation of the physics engine

Group Meeting		
09.11.2016	16.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Implementing the initial components for the physics engine

Group Meeting		
10.11.2016	14.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Attempt at implementing collisions

Group Meeting		
16.11.2016	13.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Review meeting to ensure everyone is on track with learning unity and on track for the first milestone

Group Meeting		
21.11.2016	17.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Decision into whether we should stop working on the physics engine and start developing the shock waves instead

Group Meeting		
01.12.2016	13.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Discussion about collisions not working as expected

Group Meeting		
07.12.2016	11.00am	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Decision made to Write up last few weeks as experiment report

Supervisor Meetings		
12.12.2016	12.00pm	Peter Kenny's office

Meeting called by	Peter Kenny
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Peter Kenny informed us about particle hydrodynamics. Discussed plans for documentation and development for over Christmas and next term.

Group Meeting		
14.12.2016	12.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Front end back end catchup meeting to see where we stand. V2 proposed as way forward

Meeting minutes

Supervisor Meetings			
19.12.2016		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Discussion about our development plans over the Christmas holidays		
Supervisor Meetings			
27.01.2017		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Discussion about what we aim to do this term including plans for documentation		
Supervisor Meetings			
03.02.2017		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Presented our first working demo of the project		
Supervisor Meetings			
10.02.2017		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Liam Ireland		
Discussions	Presented further improvements to the demo including discussing diffraction		
Group Meeting			
14.02.2017		16.00pm	Library study hub
Meeting called by	Group		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Discussion about planning our upcoming time before deadlines		
Supervisor Meetings			
17.02.2017		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Discussion about what to include in the abstract and poster		
Group Meeting			
24.02.2017		12.00pm	Library study hub
Meeting called by	Group		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Making the decision on v2 or v3 after work has been done on both to see which could be extended further in the time we have and also more efficiently to meet our project objectives.		
Supervisor Meetings			
03.03.2017		12.00pm	Peter Kenny's office
Meeting called by	Peter Kenny		
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland		
Discussions	Decision made to proceed with V3 from this point on. Other than that, very little progress made on backend. Front end moving closer to the real representation.		
Group Meeting			
09.03.2017		14.00pm	Library study hub
Meeting called by	Group		

Meeting minutes

Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Review meeting to plan the next few weeks. Who will work on development and who will work on which documentation so that everything is organised as we come to our last few weeks on the project.

Supervisor Meetings		
10.03.2017	12.00pm	Peter Kenny's office

Meeting called by	Peter Kenny
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Presenting significant improvements to our system as mentioned in the previous week of what we would like to achieve. Presenting a near finished version of the GUI and also the shock wave with only minor bugs to be fixed. Good feedback.

Group Meeting		
16.03.2017	11.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Discussion about major changes in the backend so everyone is up to date

Supervisor Meetings		
16.03.2017	12.00pm	Peter Kenny's office

Meeting called by	Peter Kenny
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Discussion about the poster fair. Feedback on where we are at with the development stage of the project. Instructed to have all code complete by 20th(monday) so that there is time to complete the documentation that is left.

Group Meeting		
17.03.2017	12.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Catch up before poster fair to decide on our presentation approach

Group Meeting		
20.03.2017	14.00pm	Library study hub

Meeting called by	Group
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Discussion about our approach to the report and delegating documentation tasks to complete our corpus.

Supervisor Meetings		
24.01.2017	12.00pm	Peter Kenny's office

Meeting called by	Peter Kenny
Group attendees	Georgina Perera, Robert McDonnell, Michael Jones, Tomasz Mackow, Liam Ireland
Discussions	Discussion about the specific content of the report as well as the corpus and the interviews

Supervisor Meetings		
27.03.2017	12.00pm	Peter Kenny's office

Meeting called by	Peter Kenny
Group attendees	Georgina Perera, Robert McDonnell, Tomasz Mackow, Liam Ireland
Discussions	Feedback on first draft of the report and where it should be improved as well as further details about the individual reports and the viva interviews.
